CALL FOR PRESENTERS

Submissions Due 8/15/2026

YOUR EXPERIENCE CAN HELP SOMEONE WORK SAFER.

Hudson River Valley Chapter • 2026 Professional Development Conference

SEASONED EXPERT? FIRST-TIME SPEAKER? WE WANT TO HEAR FROM YOU.

Every year, our PDC features polished presenters—and we value them. We also want to create space for safety professionals with less speaking experience who have useful knowledge, real-world lessons and the willingness to put in the work to grow.

YOU DO NOT NEED A POLISHED SPEAKING RÉSUMÉ.

You do need:

- A safety topic worth sharing
- A commitment to prepare and practice
- A clear focus on attendee value
- The courage to take the next step

PRESENT IN THE FORMAT THAT FITS YOUR IDEA.

We welcome:

- Traditional lecture-style presentations
- Case studies and lessons learned
- Panel discussions
- Technical or cross-industry topics
