STEWART MILITARY
APPRECIATION PICNIC
2026

You helped make them feel appreciated.

Dear Friend,

Because of you, about **3,000 members** of the 105th Airlift Wing and their families enjoyed something special this fall: a day to relax, have fun, spend time together, and feel the community's gratitude.

Your generosity helped make it happen. Whether you gave financially, donated goods or services, volunteered your time, or rolled up your sleeves to help, you played a part in creating a day filled with good food, laughter, family fun, and community spirit.

Our military members work hard to protect our country. Their families make sacrifices, too. While one special day can never fully repay them, it can send a powerful message: **You matter. Your service matters. And your community stands with you.**

Thank you for helping us send that message loud and clear. The **2026 Military Appreciation Picnic** was a success because people like you cared enough to make it happen. We are grateful for your generosity, your time, and your commitment to the men and women who serve our country.

We hope you enjoy reliving some of the day's special moments. Visit **www.ccahv.com** and select "2026 Military Appreciation Day" to see photos from the event.

Thank you for being part of this meaningful community tradition. We hope we can count on you again when it's time to bring our military families together.

With sincere gratitude,
The 2026 Stewart Military Appreciation Picnic Planning Committee
